

What You Need:

White card stock

Green card stock

Scissors

Tape

EW, GROSS

Directions:

1. Think of a list of several gross-to-kids action statements (12 – 20 cards).
2. Write statements on white card stock and cut into a circle shape.
3. Create a game board by alternating strips of green and white card stock. Tape strips together on the back.
4. On either end of the game board, write “Most Disgusting” and “Least Disgusting”.

To Play:

1. 1st player draws 4 cards from pile and places them on the game board.
2. Player 1 arranges the cards in order from least to most disgusting. After arranging, player 1 explains his/her card placement and justifies reasoning.
3. Player 2 draws two new cards and adds them to the existing pile on the game board. Player 2 arranges the cards in order according to his/her preference and justifies reasoning.
4. During each new round, players follow the same pattern (draw 2 new cards, add them to existing cards in play, arrange cards in order from least to most disgusting, and discuss placement).
5. Continue drawing cards and discussing until all cards have been placed.
